### A Message from Archbishop Gagnon on the importance of our Continued Generosity

Dear friends,

The current COVID-19 pandemic is keeping most of us at home. But the services of charitable organisations and the life of our parishes are all the more necessary at this time. During these days, as much as possible, we are encouraged to continue to support those charities which are closest to our hearts. Of course, your parish community continues to need support as well.

During this time there a number of ways to support your parish community including:

1. Mailing or dropping off (if possible) your weekly donation to your parish. You might want to prepare post-dated cheques and include them in your envelope;
2. Where it is possible this is a good time to sign up for monthly pre-authorized debit. You will need to email or 'phone your parish to ascertain how this might be arranged.

Thank you for your generosity and support during this difficult time.

Let us continue to pray for one another.
