Our Lady of Lourdes Ceiling Repairs: Repairs to the interior of the church is going on. This work is necessary to repair damage to the ceiling caused by water leakage. Work is expected to take up to eight weeks, barring any unforeseen issues, however, we are cautiously optimistic the church will be open in time for Easter. During this time there will be NO access to the church, however, Sunday and weekday Masses will continue to take place in the church hall. The hall will also remain open for dance practices, meetings and rentals.
