**"Joy to the World!"** Consider the story of one young man. He was often sick as a baby. He was always small, puny some would say. As a youth he was always frail and delicate. He was not able to play sports with the other boys his age. Eventually he entered the ministry. But his health was so fragile, he was unable to serve his growing congregation. Amazingly, he did not dwell on his troubles. In fact, his spirit soared. His only real complaint was the poor quality of the hymns of his day. He felt they did not convey hope and joy. Someone challenged him to write better ones. He did. He wrote over 600 hymns, most of them hymns of praise. When his health collapsed completely in 1748, he left one of the most remarkable collections of hymns the world has ever known. His name was Isaac Watts. – This Christmas we will be singing one of his most famous hymns, "*Joy to the World!*" Isaac Watts discovered joy in his life because he knew that God would never desert him. He was able to live his life with all sorts of health problems, feeling close to God and Jesus. He had joy deep in his heart. (Fr. Tony Kadavil).

**2025 Donation Envelopes** are now available to pick up at the church. Thank you for your generosity in supporting our parishes.
