## Events in and around the Archdiocese

**Confirmation Rally:** 28 March 2020, Immaculate Conception Church, 181 Austin St. From 9:00 am to 3:00 pm. "You will receive power when the Holy Spirit has come upon you; and you will be my witnesses ... to the ends of the earth." [Acts 1:8]

**Good Friday Public Station of the Cross:** 10 April 2020, St. Nikola Tavelić Parish, 2688 Main Street, Winnipeg.

**Churches begin canceling Masses in effort to stem COVID-19 pandemic.** By [Catholic News Service](#), 3.13.2020

In Ireland, most public Masses were canceled after the government insisted that indoor gatherings of more than 100 people must not take place. The Irish bishops' conference said March 12 that some smaller Masses could continue during the pandemic if the congregation is limited to fewer than 100 people. It also announced that all Irish Catholics have been dispensed from the obligation to attend Sunday Mass.

## Self-isolation vs Self-quarantine

*Self-isolation* is for those who are sick due to the coronavirus. *Self-quarantine* is for those who are not sick of coronavirus, but for the sake of caution do it.

The Centers for Disease Control and Prevention (CDC) gave this distinction in [www.cdc.gov](http://www.cdc.gov), their website: "Isolation and quarantine help protect the public by preventing exposure to people who have or may have a contagious disease."

\***Isolation** separates sick people with a contagious disease from people who are not sick.

\***Quarantine** separates and restricts the movement of people who were exposed to a contagious disease to see if they become sick."

### OL Collections Mar 8, 2020

32 Env - \$845; Loose - \$22  
SGG - \$40

*Thank you for your financial support of our Parish!*

*Thank you for your financial support of our Parish!*

**MEMORANUM**

To: All Parishes  
All Clergy

From: Archbishop Gagnon +RD

Date: March 13, 2020

Re: Update - Coronavirus (COVID-19)

Having consulted the deaneries throughout the Archdiocese and after discussions with the Archdiocese of St. Boniface, in light of the current concerns about the risk of infection from the Coronavirus, the following liturgical protocols will be effective in the Archdiocese of Winnipeg beginning today. These protocols will be in effect until such time as we determine that we can return to our regular liturgical practices. Parishioners should be reminded of these protocols on more than one occasion.

- a) **For the Sign of Peace:**
  - The customary handshake will be replaced with a bow of the head.
- b) **For the Reception of Communion:**
  - Communion from the Chalice is to be discontinued.
  - It is strongly recommended to receive Holy Communion only in the hand.
- c) **Holy Water Fonts**
  - Holy Water Fonts are to be sanitized and left empty.
- d) **Reconciliation Services**
  - Penance services are not forbidden but the priest and the penitent should allow some distance between them while maintaining the privacy of the celebration of the sacrament. In lieu of a penitential service time could be allotted for hearing confessions prior to all Masses leading up to Easter.
- e) **Hospital Visits with the Anointing of the Sick and Viaticum**
  - Priests are reminded to wash and sanitize their hands before and after the celebration of the Sacrament. This also applies to Parishioners bringing Holy Communion to the sick.

In addition, parishioners with flu-like symptoms should absent themselves from the celebration of the Sunday Liturgy. Those who have been recently travelling outside Canada (within the last two weeks) are asked to absent themselves from the celebration of Sunday Liturgy for two weeks.

The worship space and sacristy is to be kept clean and sanitary (if disinfectant spray is available it is to be used). Fresh linens should be used at every Mass. Clergy and Ministers of Holy Communion must sanitize their hands before and after the distribution of Holy Communion

All parishes should have a team prepared to conduct a Sunday Liturgy of the Word in the event of their priest's illness or isolation.

The everyday activities that can reduce exposure to the virus and protect public health remain:

- o Washing your hands often with soap and water
- o Sneeze or cough into your sleeve
- o Avoid touching your eyes, nose or mouth
- o Staying home when you are sick

We will continue to monitor Manitoba Health for any further necessary changes.

Please continue to pray for those who are infected by the Coronavirus.
